

DRY LEADERS FIGHT PRESIDENT'S PLAN

Democrats as Well as Republicans Declare Efforts to Enact Beer and Wine Will Fail.

EARLY ACTION SIDETRACKED

No Reason Measure Likely to Be Reported Out of Committee Before July 1, Dry Date.

WASHINGTON, May 21.—Notwithstanding President Wilson's recommendation for repeal of wartime prohibition in so far as it relates to wines and beers, the opinion today that all repeal measures would be kept in committee until after July 1.

In the meantime, however, prohibition leaders planned to enact the legislation which failed at the last session, enforcement of the wartime prohibition act and the constitutional amendment. Senator Sheppard, a democrat, of Kansas, author of the wartime act, said today he was confident enforcement legislation would be passed before July 1.

There was no disposition on the part of the majority leaders, it was said, to hasten consideration of a repeal measure, nor were they impressed with the argument that it might be well to test out the saloon system from which hard liquor is to be eliminated when the whole country is to become dry by constitutional amendment next year.

The only apparent move was by prohibition leaders who were outspoken in their opposition to the president's recommendation.

They let it be known that they would oppose any executive liquor bill, and would make every effort to prevent favorable committee action on any measure which would delay national prohibition.

What Is Spring Fever

It is simply lack of Energy and low Vitality caused by impurities in the blood.

GREAT BELIEVER IN BLACK-DRAUGHT

Oklahoma Lady Tells How Her Husband Believes in Black-Draught and Uses It for Many Ailments.

Nowata, Okla.—Mrs. W. B. Dawson, a resident of this place, says: "My husband is a great believer in Black-Draught and thinks it cures about everything."

It is a splendor for malaria, headache, constipation (which usually causes headache), indigestion, or any kind of stomach trouble, and we just keep it for these troubles. I don't know when we haven't used it, and we always find it satisfactory.

I know it has done us both a lot of good and saved us many dollars. I use it in teaspoon doses at first and follow with small doses, and it sure does make a person feel like new. It cleanses the liver better than any other liver tonic I have ever used, and after taking a thorough course, nature asserts itself and you are not left in a constipated condition that follows a lot of other active medicines. This is one thing I like especially about it."

For over 70 years Theodor's Black-Draught has been in use for many simple ailments and today is a recognized standard remedy in thousands of family medicine chests. It will pay you to keep Black-Draught in the house for use when needed. Your druggist sells it.
